**EVER WISH YOU COULD EASILY DELETE THOSE STRINGS OF NEGATIVE COMMENTS ABOUT YOUR BRAND?**

Brands now realize the importance of Online Reputation Management(ORM) and are increasingly relying on experts to manage their online reputation for good.

ORM Experts play the role of part PR Gurus and part Tech Experts. So, If you do not have in-house competency you may very well outsource it to a Reputation Management Agency. Just do not forget to do your homework before incorporating the ORM strategy.
